Instruction of preparing manuscript

The manuscript should be carefully prepared, edited and checked. An author is responsible for mistakes. The manuscripts are presented in English. Contributor should submit the manuscript in electron version as one file in MS Word document format (MS Word 97 and higher, filename extension *.doc). The filename should consist of section number-author surname (if there are few authors than surnames of two first) typed in English letters. For example, file with manuscript of I. Melnychuk and P. Salo registered in second section has the filename "02- мelnychuk - salo -doc".

Manuscripts have to be submitted by e-mail: radbez@gmail.com.
